UWC ISAK Japan is proud to host our second **International Culture & Education Festival**, following the success of last year's event. This festival celebrates the rich cultural experiences that our school offers. To celebrate UWC Day on September 21st, we are excited to welcome local families to our campus to connect with and learn more about our intentionally diverse community.

As a special bonus, we will be hosting a classical music duet performed by professional musicians. Learn more by visiting [this url](https://uwcisak.jp/festival) or following the QR code. →
