

This is an aerial photograph of a residential area, overlaid with a map showing individual lots. The lots are color-coded and patterned to distinguish different groups or types of land. The colors include purple, yellow, blue, pink, green, and red. Some lots have diagonal hatching or cross-hatching patterns. The lots are labeled with numbers in white boxes: 286, 287, 288, 289, 81, 23, 290, 291, 292, 293, 84, and 8. Some lots are marked with the text '今後検討' (Future Consideration) in white boxes. A compass rose is located in the top left corner, indicating North (N), South (S), East (E), and West (W).
